

Directions: Remove the book jacket from an existing mini book. Print template on 4x6 photo paper. Trim off excess paper from top and bottom of template, leaving the white area on either side of cover to make the flaps.

What if you suddenly found
yourself in Caroline's world, right
in the middle of the War of 1812?

1812

Score the paper along all four vertical edges (outer and inner edge of both cover photos). Fold the front cover forward and the back cover backward to create the book form. Wrap cover around mini book. Fold the side flaps in and tape into place.
