

Directions: Print template on 4x6 photo paper. Trim around outside edges of large rectangle, leaving white space between front and back cover. Cut several pieces of plain white paper slightly smaller than cover.

What if you suddenly found
yourself in Caroline's world, right
in the middle of the War of 1812?

1812

Turn cover right side down and carefully stack inner pages on top. Holding layers together in one hand, staple down the middle through all pages and cover. Fold book in half along the spine with pages inside. Trim pages as needed.
